Patients Affording Their Medicine

The Gilead Advancing Access® program is committed to helping your eligible patients pay for their prescribed Gilead medication.

If Your Patient Is Commercially Insured

Help your eligible patients save on their prescribed Gilead medication with the Advancing Access Co-pay Coupon Program.

Patients with government healthcare prescription drug coverage, including patients in the Medicare Part D coverage gap, or “donut hole,” are not eligible.

For more information, or to see if your patient is eligible, visit GileadAdvancingAccess.com/HCP or call **1-800-226-2056**.

How the Co-pay Coupon Program Works

If eligible, Advancing Access may be able to help your patients lower their co-pay to as little as \$0 for their prescribed Gilead medication.

Coverage varies by product. For up-to-date coverage, or to enroll your patient in the co-pay coupon card program, visit GileadAdvancingAccess.com/HCP for terms and conditions.

If Your Patient Is Government-Insured

If your patients are enrolled in government healthcare programs, such as Medicare Part D, Medicaid, TRICARE, VA, or are not otherwise eligible through Gilead’s co-pay coupon program, they may be eligible for alternate sources of funding that may be available through independent co-pay foundations. These foundations are independent, nonprofit organizations that have their own eligibility criteria and application processes.

If Your Patient Is Without Insurance

If your patient lacks insurance coverage, they may be eligible to receive their prescribed Gilead medication free of charge through the Advancing Access Patient Assistance Program/Medication Assistance Program (PAP/MAP). Please contact the Advancing Access program to learn more about the program eligibility criteria.

Enroll your patient in the Patient Assistance Program by enrolling online at GileadAdvancingAccess.com/HCP or calling **1-800-226-2056**.
